**State Project No. 155-168 – Park Road and SR501
Capacity, Safety and Operational Improvements**

Bid # 6546 RFQ

December 13, 2016

Dear Vendors:

The following are in response to RFI's received:

Q1: "Is there a specific format that is required for the cost proposal? If so, I would appreciate it if you could email me a sample format."

A1: The RFQ solicitation will follow the Connecticut Department of Transportation Consultant Selection, Negotiation and Contract Monitoring Procedures for Municipally Administered Projects. A cost proposal is not required as part of this submission.

Q2: "CSO 255, Section F – References, states that NO ConnDOT personnel be listed as a reference. Does this restriction still apply for the Town submission, or will ConnDOT references be accepted."

A2: Yes, please do not submit any ConnDOT or Town of West Hartford personnel as references.

Thank you for your patience, time and consideration.
